

PRIME7 LAUNCHES 7FLIX

PRIME7 announced today that **7flix** will launch in the regional east coast markets of NSW, ACT, Victoria and the Gold Coast on Sunday 3rd September.

A dedicated movie and entertainment channel, **7flix** is a feel-good mix of popular home-grown and international television shows, children's programs, and all-time movie greats.

7flix will delight regional viewers with programs they love, including first run episodes of US series' Grey's Anatomy, How To Get Away With Murder, Scandal and The Amazing Race. **7flix** also offers classic sitcoms such as Seinfeld, Big Bang Theory, The Nanny and Married With Children.

7flix will be available to viewing audiences of regional NSW, ACT, Victoria and the Gold Coast on Channel 66.

Some television sets may require retuning or upgrading to access **7flix** from Sunday 3rd September. Further broadcast information can be found at <https://au.prime7.yahoo.com/a/7flix>
